

Institute of Group Analysis

Intermediate Course in Group Analysis

"I found the course interesting and inspiring. It was a valuable place to think about myself, my roles and my relationships, both within groups on the course, as well as teams and organisations in general adult psychiatry."

Dr Ros Wood, Specialty Registrar in Psychiatry

Group Analysis North

Group Analysis Training at Block Weekends in the North of England:

- ◆ **Training for those who have completed an IGA Introductory Courses who wish to further develop their skills and knowledge of groups**
- ◆ **An opportunity to join a flourishing psychotherapy training community**
- ◆ **The experience of theoretical seminars, 'work reflection' supervision, being in a large group and being part of an on-going therapy group over 10 weekends (September 2010—July 2010)**
- ◆ **Support for progression towards full training as a Group Analyst**
- ◆ **The option to continue in therapy or the work reflection group after the end of the course**
