Therapy Only

Information for Applicants

2021-22

Covid19 Statement: *We are planning to meet in person in September 2021, but there is a contingency plan in place for running online if that is not possible. Currently all GAN/IGA courses are running on-line and will be until it is safe for the whole training community to do otherwise. Should you have any particular queries about the impact of this, please do contact us.*

Who can apply for Therapy Only

GAN runs three IGA courses over ten block weekends a year and students progress from one course to another and finish their training in different ways and at different stages. For students who have completed, or are about to undertake one of our courses, there is the option of attending the training weekends for Therapy Only. This may apply if:

- You have applied for and been accepted on the Diploma or Qualifying Course but wish to defer for a year and use Therapy Only to help you to prepare for this;
- You have completed the Diploma elsewhere and would like to apply for the Qualifying Course in Manchester but have not had the previous group analytic therapy required;
- Your circumstances mean you want to take a break between courses but still remain connected with the training community and remain in your therapy group;
- You wish to continue the personal group analysis started in either the Qualifying or Diploma courses once the course is completed.

What is the commitment?

There are five therapy sessions and two large groups each training weekend which those in Therapy Only attend. You are asked to commit to a minimum of one academic year, unless you are in Therapy Only following the completion of the Qualifying Course.

How to apply

It is important that if you are in a therapy group on either the Diploma or Qualifying Course, you discuss in your small group and with your Training Group Analyst your intention of continuing in therapy for a further period. You must notify the Courses Director of your wish to stay in Therapy Only by no later than the end of **Saturday 8th May 2021**. You will then be asked for a month's fees in advance to secure your place; to be received by **31st May 2021**.

If you are not currently in one of our therapy groups, you should have an initial discussion with the Courses Director, Debra Nash and the administrator can arrange this for you. Following this, if you would like to apply you should complete the application form and return it with the assessment fee of £100 no later than **Friday 30th April 2021**. Once your application has been received, you will be invited to a clinical assessment which will be carried out by a Group Analyst. This is an opportunity to talk through your reasons for wanting to join one of our groups. Some years places can be limited, so you are advised to contact us as early as possible. If you are offered a place in a therapy group you will be asked to pay a month's fees in advance to secure your place; to be received by **31st May 2021**. In the event that we are unable to offer you a place, your assessment fee will be refunded.
