

Group Analysis North

Application criteria for fee-assisted place on the IGA Foundation Course in Groupwork and the GAN Groupwork Skills Course.

Organisations applying for the fee-assisted place should:

1. Be a voluntary sector, charitable or community enterprise service.
2. Function for the improvement of the health and wellbeing of the population.
3. Offer groupwork as an aspect of its service.
4. Use the training and skills gained from the Foundation Course within its service, for the direct benefit of the service and its client group.
5. Ensure that the individual offered a fee assisted place will become a member of Group Analysis North.
6. Present a brief report to be offered, to the GAN Board of Trustees on conclusion of the Foundation Course, by the Line Manager of the staff member undertaking the course. The purpose of the report being to illustrate how the learning from the course has benefitted both the staff member and the service in which they are employed.
7. Ensure that the staff member offered the fee assisted place utilises the opportunities offered by the course to their full advantage, demonstrating this through regular attendance and meeting the course requirements.

Applications for the fee assisted place must be submitted by end of July each year.

Applications should include an overview of the service – demonstrating evidence of the above criteria, together with general details and background of the staff team members suggested for the fee assisted place.

Priority will be given to organisations which exist and work within the Greater Manchester area.
